

Circular: Postponement of School Reopening Date

Dear Parents

We hope this circular finds you in good health and high spirits. We would like to inform you that, due to the extreme weather conditions, we have made the decision to postpone the resuming of our School from 07:06:2023 to 12:06:2023.

For Class VI to XII(12/06/2023) and Class PKG – V on 14/06/2023.

Considering the safety and well-being of our students, we believe it is essential to provide a conducive learning environment. The excessively high temperatures pose health risks, and we want to ensure the comfort and safety of our students during their time at school.

Thank you for your continued support and cooperation. Should you have any concerns or queries, please feel free to contact the school office during working hours.

Stay safe and enjoy the summer break.
